**1.0 POLICY:**

The Board believes it is the responsibility of the District to provide for the safety of students. Attention will be given to the following:

- A. Supervision of students in District buildings and grounds.
- B. Maintaining a safe environment in the centers.
- C. Observation of safe practices on the part of District personnel and students, particularly in those areas of instruction or extracurricular activities which offer special hazards.

The superintendent will ensure that procedures to provide such are in place.
