1.0 POLICY:

Mission Statement: Metro Tech prepares individuals for successful employment in a global society.

Vision Statement: Metro Tech serves our community as a world-class technology center that is customer-focused, learning-centered, innovative in delivery, ethical in practice, and committed to continuous quality improvement.

Core Values:

- We are guided by visionary leadership.
- We provide learning-centered education.
- We are responsive to the needs of a diverse community.
- We encourage organizational and personal learning.
- We value students, faculty, staff, the Board of Education, and other stakeholders.
- We are agile and flexible.
- We promote innovation.
- We focus on the future.
- We manage by fact.
- We model public responsibility and citizenship.
- We focus on results and creating value.
- We operate using a systems perspective.

Strategic Aims:

Strategic Aim 1: Instructional and Learning Excellence

Metro Tech prepares students for occupational success by delivering high quality instruction in a technology-rich, real-world environment

Strategic Aim 2: Student and Stakeholder Focus

Metro Tech focuses on determining and meeting the requirements, expectations, and preferences of its students and stakeholders.

Strategic Aim 3: Budgetary, Finance, and Market Focus

Metro Tech focuses on achieving the district's mission by managing resources in an efficient, ethical, and fiscally responsible manner.
