Please note: Metro Technology Centers offers facilities for conferences as an additional service to the community. Its primary function is that of a technology training center, and is bound by all state laws and regulations governing public school districts. Amenities, staffing, and services may not be the same as traditional conferencing facilities. Conference rooms are used for ongoing training efforts on a regularly scheduled basis during days and evenings. Set-up prior to scheduled times must be made by special arrangement with Conference Center Services staff.
